ANNOUNCEMENT NO. 2.

FRIENDS:-Our talking man scarcely ever TALKS unless he has something to say, and he instructs the writing man not to

and he instructs the writing man not to write nuless he has something to WRITE. Hence, our silence except at intervals. But we have this to say this week:

Our TRADE since opening has been so large that we have been compelled to duplicate our purchase in many things. This is true especially in FINE CLOTHING. We certainly are prepared now to satisfy and gratify anybody who has a taste for a nice outfit. Our last line of Clothing we think cannot be excelled either in cheapness or style. This is a special invitation to all the young men in the county to give us a call before purchasing elsewhere. before purchasing elsewhere.

OUR MILLINERY TRADE

Has been immense, and our boss has been compelled to re-order. She has the latest and NEWEST STYLES, and at prices beyoud competition.

In all our lines we are full, and of the NEWEST the market affords. We could give a long list of prices, but we know that thinking people have long since caught on to this RACKET. You have already heard of our PRICES and that through disinterested and reliable neighbors, and we rely confidently on this reputation; we have no CHROMOS or PRIZES to offer, but VAL-UES. On these we have relied—on these we will depend.

We are getting a large quantity of wool— we want more. The more we get the bet-ter we can do with the people and ourselves. This is patent to a business man. Bring your wool and we will guarantee satisfac-tion. Our FERTILIZERS are fresh and reliable and no experiment. Come to see us—we have not time to say more now.
